

MT Chapter IAAI Scholarship Fund Program Guidelines

The Montana Chapter of the International Association of Arson Investigators (IAAI) is dedicated to helping active Chapter members by providing educational opportunities for our fire investigation community.

The purpose of the Montana Chapter IAAI Scholarship Fund is to provide scholarships to deserving active Chapter members that are planning to attend the IAAI International Training Conference (ITC) held April 7-12, 2024, in Las Vegas, NV.

The Montana Chapter Scholarship Fund's will award approximately two (2) scholarships to attend the 2024 ITC. The fund will pay for tuition ONLY for the event. The scholarship fund is not designed to cover all the costs of attendance, but rather to offset specific costs, which would afford applicants a greater opportunity to attend the 2024 ITC.
